Elizabeth A. Geary, Day Haven Director, Re-elected for Second Term

(Ronkonkoma, NY...) Elizabeth (Betsy) Geary, Director of Day Haven Adult Day Services, was recently re-elected to a second term as the President of the New York State Adult Day Services Association (NYSADSA.) Established in 1978, the mission of NYSADSA is to develop, promote, and enhance adult day services as an integral part of the continuum of care available to older adults and those with Alzheimer's or a related dementia.

Ms. Geary was re-elected during the organization's annual meeting earlier this month. As the President of the organization she will be responsible for overseeing the organization's advocacy work as well as the promotion of adult day services in New York State. In addition to her leadership work with NYSADSA, Ms. Geary is the Director of Day Haven Adult Day Services, an adult day services program in Port Jefferson and Ronkonkoma, NY, serving frail older adults, individuals with Alzheimer's, and family caregivers.

According to Ms. Geary, "adult day services are an affordable care option for frail older adults and individuals with Alzheimer's or a related dementia. Accessing a community based service like adult day care, can support quality of life and put off premature nursing home placement or a more expensive care option."

NYSADSA maintains an online directory of available programs in all 62 New York Counties. For more information contact Ms. Geary at (631) 585-2020 or visit [www.nysadultday.com](http://www.nysadultday.com).

About Day Haven

Day Haven Adult Day Services is a social model adult day care program with centers in Port Jefferson and Ronkonkoma, NY, offering day time care and therapeutic recreation for frail older adults and those with Alzheimer's or a related dementia. Day Haven also offers an array of support services for family members caring for their frail or aging loved ones including case management services, caregiver support groups and educational events for caregivers.
